

PRESS RELEASE – BAPTIZE PENSACOLA 2026

FOR IMMEDIATE RELEASE

Second Annual Baptize Pensacola Returns to Pensacola Beach on May 24, 2026

PENSACOLA, FL — February 2026 — Following a powerful inaugural gathering, **Baptize Pensacola** returns for its **second annual public baptism celebration** on **Sunday, May 24, 2026**, on the sugar-white sands of **Pensacola Beach**.

Led by **Pastor Greg Lancaster**, in partnership with **Greg Lancaster Ministries** and the local faith community, Baptize Pensacola 2026 builds upon the momentum of its first year—uniting churches, families, and believers for a public declaration of faith through water baptism.

Baptize Pensacola is a local expression of a growing national movement of churches responding to the call of Jesus to make disciples and baptize believers. While the event is rooted in the Pensacola region, it continues in harmony with the broader nationwide baptism movement, reflecting a renewed hunger for spiritual awakening across America.

“Baptize Pensacola last year was a powerful and joyful success, drawing people not only from Pensacola and across the Gulf Coast, but from as far away as Arizona and Denver. We couldn’t be more excited—and full of expectation—to see what God is going to do this year.” said Lancaster.

The event is **open to all** and will include a time of worship and gathering on the beach, followed by baptisms in the waters of the Gulf of Mexico. Individuals and families who desire to be baptized, as well as those who wish to volunteer, serve, or simply attend and celebrate, are warmly invited to participate.

Baptize Pensacola emphasizes not only baptism but also **connection and discipleship**, helping individuals take their next steps in following Jesus and connecting with local faith communities.

Registration to be baptized, volunteer, or learn more is available at **BaptizePensacola.org**
